

"My cat was losing fur and he had a chronic skin condition. After three days I noticed that he was improving and after a week the skin condition had gone and the fur was growing again. After 1 month he is perfectly healthy again. A BIG thank you!

CATTONIC

For Cats

Cattonic is a combination of natural herbs with NO chemicals and is beneficial for all cats and kittens. Our tonic for cats comes in a liquid form that can assist cats to make a speedy recovery from a variety of ailments.

Cattonic is safe to use with pharmaceutical alternatives. Cattonic starts by improving the liver function which, in turn, improves the cat's fur condition, general health and agility.

Cattonic has also proven to relieve stress because as symptoms are relieved, the cat is less anxious. In addition to all this, mobility is increased as joints become more flexible.

Assists with

 **Urinary Tract Infection**

 **Improving Fur Condition**

 **General Health & Well-Being**

 **Clearing Toxins from Blood**

 **Joint Problems & Arthritis**

 **Reducing Stress**

Application

Cattonic comes in an easy to administer spray bottle. It is applied by a finger pump action spray system directly on to your cats existing food.

For small cats and kittens – 2 sprays

Medium cats – 3 sprays

Large cats – 4 sprays
