

*"My vet was amazed!
ULC30EX Plus worked better than
Gastrogard. It relieved the pain
and reduced the ulcers too. After
scanning, the ulcers had disappeared
by over 80%. A huge thank you!"*

For Horses

**TARGETS ULCERS IN THE
FORE AND HIND GUT**

ULC30EX PLUS **For Horses**

Is your horse irritable and moody? A frequent cause is stomach ulcers.

ULC30EX Plus helps to reduce ulcers. It is a combination of herbal ingredients and amino acids that assists the horse's digestive system including the hindgut.

Amino acids affect all tissues in the horse's body, including muscle mass, tendons, ligaments, and even bone. The immune system in all horses is dependant on these important amino acids to function properly.

Assists with

 **Reducing Ulcers**

 **Targetting the Fore & Hind Gut**

 **Relieving Pain**

 **Fortifying Amino Acids**

 **Improving Appetite**

 **Increasing Digestion**

Application

ULC30EX Plus comes in a liquid form. It can be added to the water, sprayed on the feed or applied directly into the mouth. 25ml for 5 days and then 15ml per day. For foals give 10ml per day.
